

What does St. Paul mean to you?

Is it your church home? Has St. Paul provided you with a place to celebrate births, baptisms, weddings and holidays? Has St. Paul been your shelter in times of sadness or grief? Does St. Paul hold memories of your youth or your childrens' or grandchildrens' experience getting to know Christ as our Savior?

What impact does St. Paul have on the community?

Beneath the words *Mission Possible* in the center of this brochure is a list of some of the many missions and outreach that take place here at St. Paul United Methodist Church. Each life touched by the missions and outreach that take place at and through this church has the potential to connect with, deepen their relationship with or rededicate their life to God. This is what we are called to do as disciples of Christ.

Why do we need a Capital Campaign?

We all know that the church is not the building, nor the land that it sits on, but the church lies in the hearts and spirits of its members. Yet, if we do not have a place for community worship, gatherings, celebrations, fundraising events, funeral dinners, baptisms or Vacation Bible School, how do we serve the Lord? How do we fulfill our mission? How do we succeed at sharing God's word and bringing those who do not yet know Christ or those who desire a more intimate relationship with Christ into His light?

We need St. Paul and St. Paul needs us.

It's time for us to understand that without the physical presence of the buildings and grounds, our mission work would not be successful, there would be no Vacation Bible School or Christmas Cantata and there would be no luncheons, or craft days, no funerals, weddings or baptisms. If we wish to continue to "Be the Church, Grow in Christ, Spread the Word," then each and everyone of us must commit to participating in a capital campaign that will keep this property a viable and flourishing part of this community, a place where our children and generations to come can worship and continue to carry on the mission and legacy of St. Paul United Methodist Church.
