## Greetings people of infinite worth!

As we reflect back on the many events that lead toward Jesus' crucifixion and resurrection, one of the most stirring vignettes is found in Matthew 27:54, "*The Roman officer and the other soldiers at the crucifixion were terrified by the earthquake and all that had happened. They said, 'This man truly was the Son of God!'*" (NLT).

What had happened to frighten and enlighten the hardened killing machines known as Roman soldiers? What was it that spoke to their hearts so that they confessed that Jesus 'truly was the Son of God'? The magnitude of Jesus' crucifixion was evident in nature. We read in scripture that the sky went dark in the middle of the day, a fearsome portent for the people of the first century, and for many civilizations yet today. Whether it was an eclipse or some other holy manifestation that obscured the rays of the sun, it was dark, ominous and held great foreboding. Dark skies in the middle of the day will do that.

Here in the Midwest, on Monday, August 21, 2017 during the solar eclipse we witnessed just such a time of darkness during the mid-day. I remember standing outside the church where I served at the time with a shoe box contraption that allowed us to see the progress of the eclipse. The pastor, his wife, our secretary, and I stood in the parking lot sharing the shoebox back and forth. When the eclipse was at its height, it was as if the entire world was holding its breath. The temperature dropped a few degrees, the world was oddly silent, and it seemed that nature was out of tune. Of course, my companions and I understood what was happening; it was a long predicted natural phenomenon. But even in the fact that it was predicted and occurred right on cue that did nothing to diminish the breathtaking power of God.

It reminded us of just how dependent we are on the light that comes from the sun, how it brightens our days, makes the trees and plants grow, signals the birds when to sing and when to be silent. We were awestruck, as we considered who created the sun, who controls our cycles around it, and who keeps it all in order.

The Roman guards were a superstitious and uneducated lot, but even they seemed to comprehend the power of the sun and how the absence of it was to be feared. To their way of thinking, the God of the Christians was withholding his light as his Son was dying on the cross. All of nature seemed to be in mourning in those hours of darkness. Finally, when Jesus was dead, they recognized that Jesus really was the Son of God. I have to wonder if their declaration of his identity changed their lives. Did they become Christians, or did they just live in the terrible knowledge that they helped put him to death?

Nature testifies to the power of God, the one who created it all. He is the same One who keeps it all in order, the planets in their orbits, and everything else, right down to the cells reproducing in our bodies. Praise God for the glory that is His alone!

REFLECTIONS...

**Have a Blessed Easter Season!**  
**Love, Pastor Debra**

### Small Group Study

*Listen: Praying in a Noisy World*  
by Rueben P. Job  
Sundays at 5:00 P.M.

This study is a six-week video driven study that includes a daily devotional reading. Jesus is always with us and communicating with us, but our lives are so noisy (TV, music, radio, Netflix,

cell phones, YouTube, to do lists) we seldom hear his gentle voice. What if we could slow down, quiet the noise in our heads, and really hear what Jesus wants to tell us? Let's learn to listen to Jesus! **You may still join the group if you wish to do so.**

## Sundays at St. Paul in MAY 8:15 & 10:30 A.M. Services

Our 8:15 a.m. service is a traditional service with hymns played upon our beautiful pipe organ as . The Pastor leads worship clothed in a robe and stole. Communion is celebrated on the first Sunday of the month. Our 10:30 a.m. service—*Awakening*—is a contemporary service. The preaching focuses upon life lessons from the Bible. Music is played by a worship band. Words to the songs are projected on the screen or are available on the entryway table. Communion is celebrated at the end of every service. The intent of both worship services is to draw people into a closer connection with Jesus Christ and with each other. **A Nursery and “More Jesus Time” for Pre-school - 5th grade is provided during the 10:30 a.m. service.**

**5th:** Communion served at both services. Hand Bell Choir is playing. NEW SERMON SERIES...Stuff God Never Said: God Helps Those Who Help Themselves! Scripture: *Matthew 6:25-33*. Theme: We are called to seek after the kingdom of God first, not our own welfare.

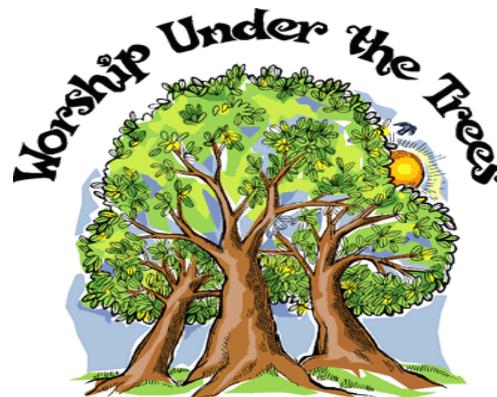

**12th:** Mother’s Day Sunday! Angel Choir sings! Birthday Sunday. During both services, we will enjoy a mini-concert by **Darla McFadden** from St. Louis. Those who have heard her previously recall how her music blesses us. A love offering will be taken to support her music ministry.

**19th:** Stuff God Never Said: Follow Your Heart! Scripture: *Jeremiah 17:7-10*. Theme: Following our heart more often leads to trouble. Our feelings change from moment to moment. Let’s follow God instead.

**26th:** Memorial Sunday. Stuff God Never Said: Suffering Always Comes From Sin! Scripture: *James 1:2-4*. Theme: No matter what the cause of our trials, we know that God will use it to strengthen our walk with him. Also, we will remember those who have gone on before us into heaven. And we will dedicate completed memorial gifts.

**JUNE 2nd:** Outdoor Worship in the Park begins today at 8:15! Youth Sunday!

# The Lord Is My Portion

by Bill Gaultiere

It's ironic that the more we long for Jesus — to know him intimately and love him fully — the more we are deeply satisfied. Most things in life don't work that way. If you cultivate a craving for chocolate you're likely to keep eating it and gain weight or get sick to your stomach!

Craving becomes a big problem if what you're longing for is acceptance or self-worth and you keep striving to achieve it. You can never accomplish enough. Never be attractive enough. Never keep people happy with you. Many addictions and much unhappiness come out of craving for things other than Jesus.

## Is the Lord your Portion?

Many times the Psalmist says, "The Lord is my portion." For instance, he prays, "Whom have I in heaven but you, Lord, and earth has nothing I desire besides you. My flesh and my heart may fail, but God is the strength of my heart and my portion forever" (Psalm 73:26-26).

In other words, "Lord Jesus, I wouldn't even want to be in heaven if you weren't there and this earth has nothing that satisfies me except you. My own strength and abilities often fail, but with you living in my heart I have all the power I need and more joy than I can contain."

What if this prayer were really true of you and I? What would it be like to be the kind of person who continually thirsted for Jesus and found delight in him? Imagine if the way you do your work, relate to people, spend your free time, and even the things you think about were an expression of your love for Jesus. I'm not talking about perfection, but growing towards it, by God's grace, little-by-little.

## You can find more Joy in Jesus!

To live by the words "The Lord is my portion" requires abandoning other pursuits and desires, including good ones. It also requires soul training. Longing for Jesus is the only way to participate in and naturally share with others "the life that is truly life" (1 Timothy 6:19).

A wonderful way to cultivate this devotion to the Lord is to pray the Psalms. We can "take heart" from the Psalmist, praying his prayers to absorb his whole-hearted love for God.

## A prayer for letting God be my Portion:

*Dear Heavenly Father, When I am afraid, you are the strength of my heart. When I feel incomplete, you are my portion. Thank you, Lord, for being more than enough to satisfy my every need. Thank you for comforting me, loving me, and being my portion forever.*

*In Jesus' name, Amen.*

## More Honduras News

In the February Steeple, I spoke about our upcoming trip to Honduras this June. Our ministry to the children of Honduras includes fluoride treatments and lessons on dental hygiene. When I say dental hygiene lessons, I am talking about teaching them how to brush their teeth! Many of the children there have never seen a toothbrush or toothpaste, much less know how to use one. Part of our mission will be to give each child their own toothbrush plus toothpaste, and teach them to use it.

The Honduras team is **now** asking for donations of **travel-sized toothpaste (no particular brand)! There is a box outside my office where you can place your toothpaste donations.**

As always, thank you for your generosity! **Blessings! Pastor Debra and Joe**

Today the main grocery store in our area is Schnucks. If you do not already have a Schnucks eScrip card, we have them available on the Welcome table in the entryway. Pick up the whole sheet of 2 cards and 2 key fobs. Schnucks eScrip is based on the amount of money people spend at Schnucks. We are given a monthly amount based on a percentage of the monthly sales of those who have signed up and chosen St. Paul UMC as the recipient. **Then all one need do is show the cashier their key fob or plastic card during check-out to credit St. Paul. THIS IS NOT A CREDIT CARD.** This program is to benefit non-profit organizations in the area. **NO PURCHASE IS TOO SMALL** to benefit St. Paul. Pick up and sign-up online for your very own account today! **Need help? Call the church office!**

# RUMMAGE SALE

## Thank You!

**THANK YOU!** Thank you to all of the great workers who turned out for the Annual Rummage Sale. First of all thanks to the donors who always supply a wealth of items for the sale, men who did the set-up and all who helped clean-up; people who sorted, priced, and displayed items as well as ladies who folded and bagged purchases, cashiered, and our “strong men and ladies” who helped carry out purchases.

We again received many compliments about the nice appearance and friendly atmosphere by those attending. After the sale the leftover clothing, shoes, and bedding were donated to the Community Hope Center and the other items were donated to someone who has a resale shop in the area. Also many pajamas and robes were taken to Oasis, and unusable bedding was donated to the Rosewood Pet Hospital. To-date, approximately **\$2,164** has been raised from the Rummage Sale and **\$106** from the craft sales at that time.

Thank you again and God’s Blessings on **EVERYONE** who helped make this another successful event!

ST. PAUL UNITED METHODIST CHURCH CAPITAL CAMPAIGN  
PRESERVING THE PHYSICAL INTEGRITY OF ST. PAUL UNITED METHODIST CHURCH  
AS A FOUNDATION OF FAITH AND MISSIONS IN OUR COMMUNITY

# Mission Possible

“THROUGH GOD ALL THINGS ARE POSSIBLE” MATTHEW 19:26

☺ → **SALE GOES THROUGH** ← ☺

As of April 5, 2019 St. Paul UMC, via the Trustees, sold the property known as the Jr. Parsonage at 360 Airline Drive! As you may recall, based upon a majority vote of the church members held at a church conference on March 15, 2018, the decision was made to sell the Jr. Parsonage to reduce existing church debt. Therefore, as a result of that church-wide decision, the proceeds from the sale of said property which sold for \$92,700, after closing costs and miscellaneous costs were taken out of the proceeds, along with an additional \$5,592.67 from the Capital Fund Campaign treasury were all used to eliminate our debt of \$89,092 to 1st Mid America Credit Union for the “Mission Possible” Campaign.

As you know we have spent just under \$500,000 doing much needed renovation work to the church facilities. Through your prayers and generosity we incurred a debt of only \$160,020 of which \$89,020 was to 1st Mid America CU and the remaining \$71,000 to a loan from the St. Paul Endowment Fund. It is important to note that a large part of the remaining Capital Fund Campaign treasury will go toward eliminating part of this in-house debt. Trustees, in a future meeting, will consider keeping some of the funds in reserve as a jump start on future physical needs of the church.

With the elimination of the “outside” debt to 1st Mid America CU **we pray that you will continue your generosity toward erasing our “in-house” debt to our Endowment Fund.** This we do in an effort to respect the long-time philosophy of St. Paul UMC in having a debt-free church.

We are so thankful to the congregation for your vision and generosity. The trustees have gone over and above; they have labored long and hard to make difficult decisions to continue the viability of our physical church & ministry within the community. Pastors Daryl Fansler and Debra Hoertel have provided constant inspiration and spiritual guidance in leading our efforts to a successful fruition. Many thanks to the original “Mission Possible” team for their time and dedication to the vision and for providing wonderful facilities for the future of St. Paul.

None of this much-needed work would have been possible without the congregation’s generosity and the willing volunteers to step forward for the benefit of our St. Paul ministries through our physical facilities. God is indeed good and he certainly answers prayers, as none of this would have been possible, for a church who struggles to meet its monthly budget, while all the while looking to the future and what God provides for us!!

**Many blessings and thanks to all involved,**

**From your current St. Paul Trustees:** Mike Tappy, Scott Gwaltney, Ian Martin, Noël Schiber, Joe Hoertel, Karen Challandes (secretary), Jim Herndon (chairman), and Pastor Debra Hoertel
